

C2 Floor Cleaner

doseit
by CLOVER

- Dosage control pack
- Neutral formulation for safety on all surfaces
- Fresh, lemon fragrance
- Dries quickly to a smear-free finish

USES

A neutral, green floor cleaner which is suitable for use on all hard floors. When applied, C2 is low foaming and leaves a fresh, lemony fragrance after use. Available in a 1 litre dosage control pack.

1 Litre of C2 Floor Cleaner will create 25 buckets of ready to use solution

With a sophisticated self-levelling formulation, C2 dries quickly and evenly over the surface of the floor without leaving patches or smears. This makes its application quicker and easier than that of other floor cleaners, as the drying time is cut by up to a half.

C2 is safe for use on all hard floors including polished floors, marble, linoleum, wood, PVC, concrete, tiles and laminate floors.

DILUTIONS

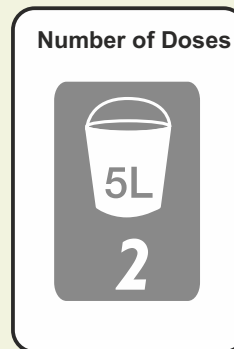

When using the bottle for the first time, the dosage control cap needs to be primed with its first dose of product. Invert the bottle for 3 seconds. Now the product is ready to dose its first 20mls.

Lift the flip-top cap and invert the bottle to dispense a 20ml dose of product into a bucket as required.

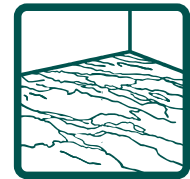

After dosing, turn the bottle upright and dose again!
