Commercial vacuum cleaners
- compact machines for everyday cleaning

VIPER

Commercial dry vacuum cleaners
- Powerful, reliable and easy to use

The Viper DSU series is perfectly suitable for daily indoor vacuum cleaning in light to medium duty applications. The machines are available in 4 different sizes and you can choose the tank capacity that fits your exact need from 8, 10, 12 or up to 15 liter.

Daily use and maintenance of the DSU series is both simple and user-friendly thanks to build in features like cable holder and handy accessory parking.

Furthermore, the machine is light weight and easy to carry around the premises.

· Robust and compact design where main switch can be operated by foot or hand.
· Easy-to-use features like cord wrap and hook function, accessory storage and tube holder
· ECO button to adjust suction power and reduce noise

Cable holder for easy storage

Eco button to adjust the suction power and reduce noise

Easy-to-reach accessory storage
